

# Database and Web Services Project Assignment 6

Ilyas Benyamna, Ujjwal Khadka, Saad Aboujid, Idris Chendid

## Instructions

To see the input forms in action, simply go into <http://clabsql.clamv.jacobs-university.de/~ibenyamna/>, then you will find maintenance pages in the navbar, click on it and it will take you to a page that contains all of the maintenance pages for each entity and relationships in our database. You can then try to put something into the database.
