Database and Web Services Project Assignment 10

Ilyas Benyamna, Ujjwal Khadka, Saad Aboujid, Idris Chendid

Instructions

We have implemented Autocomplete in all of our search forms, all the fields have this function. You can test it by opening one of the search pages in http://clabsql.clamv.jacobs-university.de/~ibenyamna/PHPtesting/search/
For the source code, see the folder called `search`
